Private Event Information

Minimum Spend:

Minimum spend amounts apply at Bellissimo Coffee. The minimum spend outlined refers to the minimum amount of money that is required to hold your event.

AV / Sound Equipment:

Bellissimo Coffee has a fully connected surround sound system (sonos) in both the warehouse and café space, please note this sound system does not reach above our liquor license requirements. Additionally, a microphone and speaker, or a DJ and mixing desk are available upon request, for any live music or general music requirements please consult with the Event Coordinator.

Decorations and Styling:

Festoon lighting is customary to each event held in our warehouse space. Our café space is fitted with warm and rustic lighting which creates a nice ambience for events. For additional lighting, styling or decorations please consult with the Event Coordinator. Customers are also welcome to bring their own styling and decorations to the event, please note if set up or pack down is required by our events team an additional fee may apply.

Table Arrangement:

Our café space is configured according to our regular café processes, this space is available to limited reconfiguration upon speaking to the Event Coordinator. Our warehouse space includes several roastery machines and mechanical equipment, these are not subject to removal. However, the floor space is versatile and open to change in layout, please consult with the Event Coordinator for current floor plan options to suit your guest numbers.

Noise Restrictions:

Noise restrictions are applicable as specified on our liquor license. The requirements of our liquor license state no amplified music can be played past 10pm. Amplified music will also not reach above the 75-decibel limit at any time throughout your event.

Special Dietary Requirements:

All requirements must be confirmed with your final details and guest numbers 14-days prior to the event. Only previously advised special requirements can be accommodated on the event day. The utmost diligence will be taken with all special dietary requirements, but please note meals may contain trace elements as the kitchen does process allergen items.

Facilities / Accessibility:

Bellissimo Coffee is a fully accessible venue including a ground level bathroom available. Wheelchair accessibility is available through the second entrance which leads through to our warehouse and café space.

Parking Spaces:

Bellissimo Coffee Coorparoo is located close to public transport located on Cavendish Rd and Stanley St East, as well as 400m to Coorparoo train station.

Customer parking is available directly in front of our venue and street parking is also available, please note there are limited parks available during normal café hours. Disabled parking is also available to customers. Additional parking is located on Birubri St at the Coorparoo AFC, this parking is metered during day-time hours, however night-time parking is not metered in this area.

If you are after something more unique compared to our current offerings, please enquire for a more personalised package.
